

Summer camps at St. Mark, directed by certified early childhood and elementary teachers, will incorporate activities that help students retain their academic skills, build character, and stimulate their creativity. In the morning, campers will focus on academics centered on the theme and value for the week. In the afternoon, students will participate in a variety of hands on activities. Campers will also take fieldtrips to various locations in the Richmond and Lexington area to further enhance their camp experience.

June 5-9

Junior Bakers

Learn how to convert measurements and how to navigate a cookbook. Bakers will whip up some tasty treats for an end of week party with some fancy guests.

June 12-16

I-Spy

Learn how to read a map, geocache, and code. Go scavenger hunting and send messages with invisible ink. Maybe you will find a treasure or two!

June 19-23

St. Mark Art

Discover and develop your artistic imagination with St. Mark Art. Each day you will explore a different medium. Express your creativity with a variety of visual art forms.

June 26-30

Animal Kingdom

Find out about various animals and their habitats. You'll learn how to care for your pets and get up close and personal with wildlife that can be found in your backyard.

July 10-14

Inventors Only

Create your own inventions and then learn how to market and sell what you've created. Enter the SHARK TANK if you dare to see which invention is a winner.

July 17-21

Totally Slimed

Investigate weird science and conduct mind-boggling experiments. Be prepared to get slimed and be slimed as you make concoctions that are messy, but tons of fun!

July 24-28

Boys vs. Girls

Boys will play sports of all kinds, create and race vehicles, and get messy. Girls will have tea parties, do their hair, and paint their nails. Things could get interesting!

July 31-Aug 4

Farm to Table

Learn all about planting and caring for a variety of garden vegetables and herbs. Use the existing school garden to harvest items for an end of week feast.
